EUROPEAN ATHLETICS INDOOR CHAMPIONSHIPS

This brochure was made by
Czech Athletic Federation's Communications Department.

DEAR FRIENDS

OF ATHLETICS

The European Athletics Indoor Championships return to the Netherlands for the third time after 36 years (previously Rotterdam 1973, The Hague 1989). The host country also has a wealth of hosting experience from recent youth championships and mainly from the successful outdoor 2016 European Championships in Amsterdam. I have no doubt that Apeldoorn has prepared great conditions for the strong home team and thus for the whole continent.

I am very pleased that the 26-member Czech team for the European indoor main event contains experienced 'pillars', but also young hopefuls. I am also delighted that we will be represented in all three relay races. I believe that our athletes will show not only their qualifying performances, but improve them.

I am looking forward to the great atmosphere that the Dutch fans are famous for and I believe that the Apeldoorn arena will inspire all the athletes to great performances.

Libor Varhaník
President of the Czech Athletic Federation
